**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support competitive broadband. Tired of poor customer service from both AT&T and our local cable company I switched to Sonic.Net, a local company from which I buy both Internet access and my telephone service.

Ive been a very happy customer of theirs for almost 10 years. Id hate to be denied the opportunity to choose who I buy service from in a competitive market. Please dont force me to choose between two companies that both take their customers for granted!
